### General Education

General Education is a set of courses that all students must complete to graduate from OCU. The General Education program is designed to provide students with a broad base of knowledge and skills that are essential for success in the 21st century. The program is divided into four areas: Communication, Critical Thinking, Diversity, and Natural Sciences. Each area has a set of required courses that students must complete. The General Education program is a requirement for all students, regardless of their major or minor.
