

# Old Dominion University Research Foundation

To: Distribution

From: Julian F. Facenna  
Executive Director

Date: November 13, 2018

Subject: Annual Report of Sponsored Program Activity - June 30, 2018

Attached please find the Annual Report of Sponsored Program Activity for the fiscal year ended June 30, 2018. This report measures sponsored program activity administered through Old Dominion University Research Foundation by amount of actual expenditures (direct costs and indirect cost recoveries) incurred during the fiscal year. Unrecovered indirect cost is not included in this report. This report includes sponsored program activity administered by the Research Foundation for Old Dominion University and for certain independent entities affiliated with the University. Included in the report is a schedule of proposals submitted and awards funded for the fiscal year ended June 30, 2018 and the four previous fiscal years. Proposal activity is based upon the total amount requested from sponsoring agencies exclusive of institutional or third party cost share amounts. Award activity reflects the dollar amount of actual funding committed during the reporting period.

The format of the report separately discloses sponsored program activities of the core University units and the activity of affiliated units. The core University units include all of the academic departments, enterprise centers and supporting research positions. The affiliated units reflect sponsored programs of the Virginia Space Grant Consortium and the Tidewater Consortium for Higher Education.

Some key points to note with respect to the core University activity are as follows:

- x University research expenditures decrease by 9.2% fiscal year 2017 to \$42.5 million.
- x Expenditures in excess of \$1 million by funding source for the fiscal year were:

U.S. Department of Health and Human Services	\$ 6.3 million
National Science Foundation	\$ 6.2 million
Virginia Department of Education	\$ 3.0 million
U.S. Department of Education	\$ 2.1 million
U.S. Navy	\$ 1.9 million
National Aeronautics and Space Administration	\$ 1.7 million
U.S. Air Force	\$ 1.6 million
U.S. Department of Energy	\$ 1.4 million
Virginia Department of Environmental Quality	\$ 1.2 million
Jefferson Science Associates, LLC (JLAB)	\$ 1.0 million

- x The above rankings include agency funds passed-through from the University.

- x Activity of individual faculty conducting research through university-wide enterprise centers is reflected under the faculty member's department. The research activity of core staff assigned to an enterprise center is reflected in the center's activity. The Virginia Modeling, Analysis and Simulation Center (VMASC) and Frank Reidy Research Center for Bioelectrics core staff activities are reported under the Office of Research and Other Units.
  
- x University departments (including SSRP's center activity) exceeding \$1 million for the fiscal year were:

Chart A – Research Expenditures for University Units Excluding Affiliates

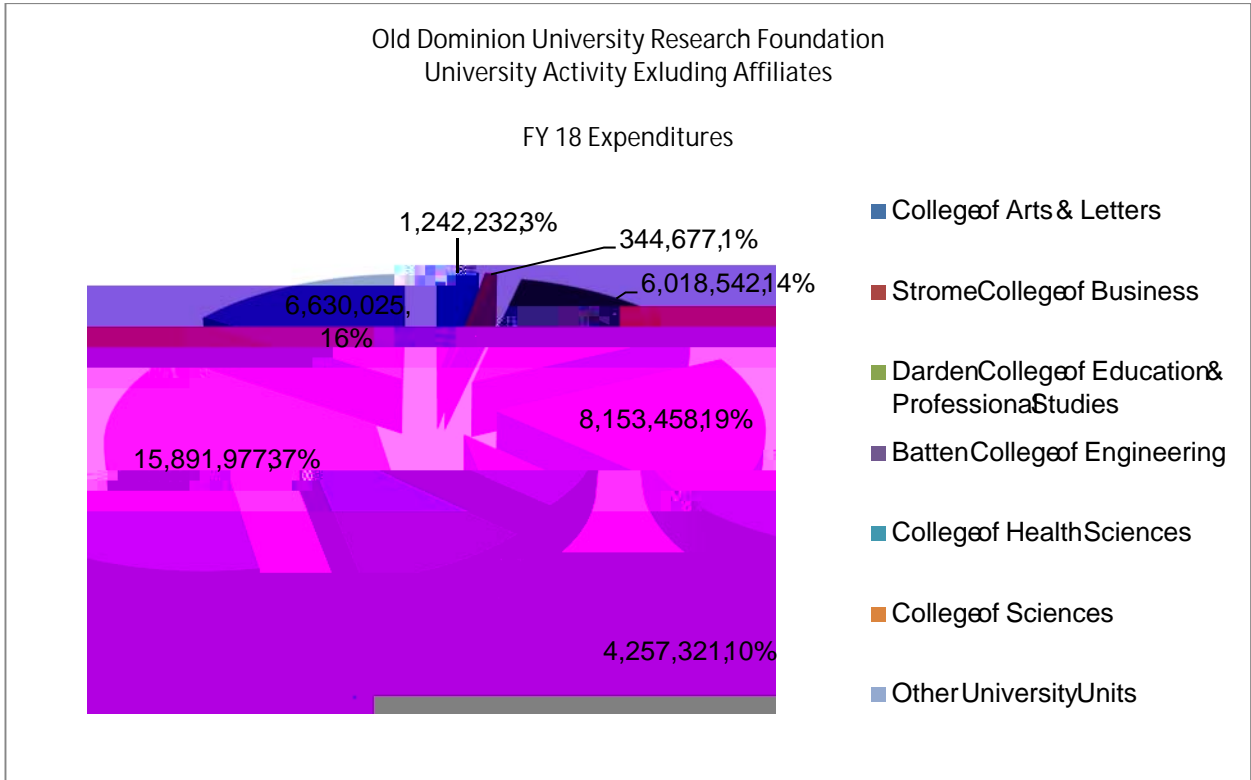

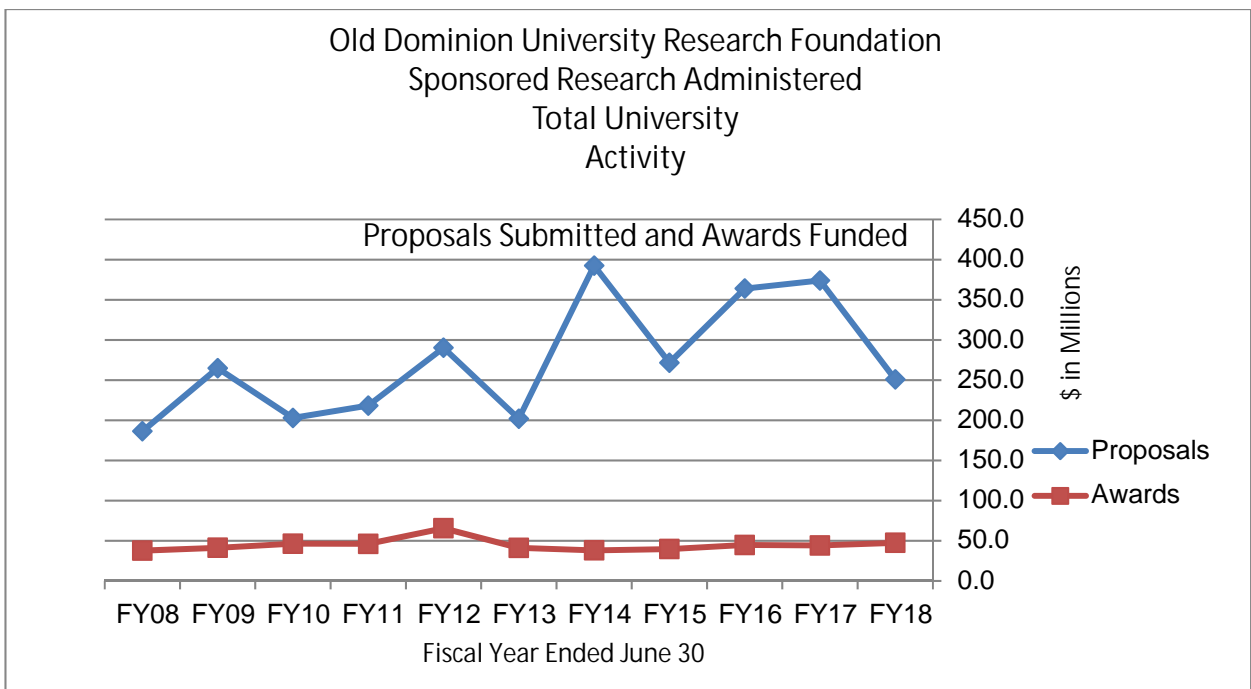

Chart B – Proposals Submitted and Awards Funded
