Note: Upper division general education (minor) has other options, see catalog for requirements.

requirements for graduation include a minimum cumulative grade point average of 2.00 overall and in the major, a grade of C or better in all courses required for the major, including this four-year plan. It is suggested that you complete this degree program in four years. This is just one of several plans that will work and is presented only as one of many options. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works.
