

OLD DOMINION UNIVERSITY

BOARD OF VISITORS
Thursday, September 20, 2018

MINUTES

The Board of Visitors of Old Dominion University met in regular session on Thursday, September 20, 2018, at 10:00 a.m. in the Board Room, Old Dominion University, Norfolk, Virginia. The meeting was presided over by Lisa B. Smith, Vice President for Academic Affairs.

Present were:
Lisa B. Smith, Vice President for Academic Affairs
Robert S. Corn
Jerri F. Dickeski
Unwana Dabney
Alton J. Harris
Michael J. Henry
Larry R. Hill
Toykea S. Jones
Kay A. Kemper
Pamela C. Kirk
Ross A. Mugler
Maurice D. Slaughter
Robert M. Tata
Rafia Haq (*Student Representative*)
R. Bruce Bradley
Donna L. Scassera

Absent were:

Also present were:

John R. Broderick, President
Austin Agho
Alonzo Brandon
Jane Dané
Gail Dodge
Gregory DuBois
ReNeé Dunman
Morris Foster
Giovanna Genard
Velvet Grant
Scott Harrison
Jared Hoernig

Leo Lo
Donna W. Meeks
Harry Minium
Annie Morris

CALL TO ORDER

Rector Smith called the meeting to order at 9:10 a.m. She welcomed new board member Unwana Dabney and noted that President Broderick will be joining the meeting. Provost Austin Agho introduced Gail Dodge, Dean of the College of Sciences, who will provide an overview of the College.

COLLEGE OF SCIENCES PRESENTATION

Dr. Gail Dodge, Dean of the College of Sciences, provided an overview of the College. She reported on the mission of the College, its departments, the makeup of its faculty, and the numerous honors they've received. She also provided data on the number of undergraduate and

University facts card provided by the Office of Strategic Communication and Marketing. She also reminded Board members to complete the required Conflict of Interests training.

PRESIDENT’S REPORT

In his report to the Board, President Broderick reviewed the nine priorities included in the Six-Year Academic and Financial Plan. These include (1) Operating Funds for Access, Completion and Student Success, (2) Increase Faculty Salaries, (3) Student Financial Aid, (4) Online Education Expansion and Modernization, (5) Cybersecurity, (6) School of Public Health, (7) STEM-H Express, (8) Commonwealth Center for Recurrent Flooding Resiliency, and (9) Maritime Trade and Transport Innovation Hub. Together these initiatives total \$27.9M. He must now attest that the Board has formally approved the Plan and offered a resolution for such approval. A motion was made by Mr. Mugler that the Board approves University’s 2019-2024 Six-Year Academic and Financial Plan as presented. (Edmottj(-Tj)023603)4T(-0256248(5)186018)JWC

7. Evaluating the effectiveness and efficiency of operations and programs along with determining whether the results of operations or programs are consistent with established goals and objectives;
8. Assisting in the education and training of employees in University policies and procedures, as well as the need for and characteristics of strong internal controls;
9. Assisting management in the deterrence of fraud and investigating any instances of such activity discovered at the University; and
10. Coordinating audit efforts with the Auditor of Public Accounts and other external auditors.

Standards for the Professional Practice of Internal Auditing

The Institute of Internal Auditors, Inc., an international organization dedicated solely to the advancement of the internal auditing profession, has adopted "The International Professional Practices Framework (IPPF)." The four mandatory elements of the IPPF are the core principles for the professional practice of internal auditing, definition of internal audit, Code of Ethics, and the International Standards for the professional practice of internal auditing (Standards).

The University Audit Department will govern itself by adherence to the mandatory elements of the Institute of Internal Auditors' International Professional Practices Framework. The Chief Audit Executive will periodically report to senior management and the Audit Committee regarding the internal audit activity's conformance to the Code of Ethics and the *Standards*.

Reporting and Responsibilities

The University Audit Department is functionally accountable and reports to the Board of Visitors through the Audit Committee. The Chief Audit Executive will meet with the Audit Committee at each of the scheduled quarterly Board meetings.

The Department reports administratively to the President's Office and works with the President or through a designated representative for the purpose of the day-to-day operations.

The Chief Audit Executive shall have direct access to the President and to the Audit Committee of the Board of Visitors in any instance where the Chief Audit Executive believes that such access is needed to fulfill the stated objectives of the department.

The Chief Audit Executive shall periodically report to senior management and the Audit Committee of the Board of Visitors regarding:

1. The department's purpose, authority and responsibility.
2. Risk-based audit plan and performance relative to the plan along with any adjustments needed to the plan.
3. Conformance with the IIA's Code of Ethics and *Standards*, and action plans to address any significant conformity issues.

4. Significant risk exposures and control issues to include fraud, governance issues and other matters requiring the attention of, or requested by, the Audit Committee.
5. Results of audit engagements and other activities.
 6. The propriety of any limitations on the scope of internal audit work performed by University management.
 7. Resource requirements.
 8. Any response to risk by management that may be unacceptable.

As used herein, the term "external" shall refer to representative of Public Accounts for the Commonwealth of Virginia, individuals (the "CPA") and auditors from organizations, governmental entities, and the University.

~~The Internal Audit Director also presented materials to the Administration and Finance Committee~~

~~Code of Virginia § 2-307 et seq., established effective July 1, 2012, and charged the (1) investigating complaints alleging performance reviews of executive branch for internal audit programs~~

Independence and Objectivity

The University Audit Department shall be free from all conditions that threaten the ability of internal auditors to carry out their responsibilities in an unbiased manner, including matters of audit selection, scope, procedures, frequency, timing, and report content. The University Audit Department shall be free from control or undue influence in the determination of facts revealed by the examination or in the development of recommendations or opinions as a result of the examination.

If the Chief Audit Executive determines that independence or objectivity may be impaired in fact or appearance, the details of impairment will be disclosed to the appropriate parties. The Chief Audit Executive will disclose to the Audit Committee any interference and related implications in determining the scope of internal auditing, performing work, and/or communicating results.

Internal auditors will maintain an unbiased mental attitude that allows them to perform engagements objectively and in such a manner that they believe in their work product, that no quality compromises are made, and that they do not subordinate their judgment on audit matters to others. Internal auditors will have no direct operational responsibility or authority over any of the activities audited. Accordingly, internal auditors will not implement internal controls, develop procedures, install systems, prepare records, or engage in any other activity that may impair their judgment.

System Planning and Development

The University Audit Department will participate, in an advisory capacity, in the planning,

Responsibility for the Detection of Errors or Irregularities

The staff of the University Audit Department have a professional responsibility to conduct reviews with an attitude of professional skepticism, recognizing that the application of internal auditing procedures may produce evidential matter indicating the possibility of errors or irregularities.

If the internal audit staff believe that an error or irregularity may exist in an area under review or in any other area of the university, the Chief Audit Executive shall be notified at once. The Chief Audit Executive should consider the implications of such an error or irregularity and its disposition with the President and/or the President's designated representative. If the Chief Audit Executive believes that both of the individuals are directly involved, then the disclosure of potential errors or irregularities should be made directly to the chairman of the Audit Committee of the Board of Visitors.

The University Audit Department cannot be solely responsible for the detection and prevention of all errors and irregularities which may occur within the university. This is a responsibility shared by all members of the university management team.

Coordination of External Auditors

The Chief Audit Executive is responsible for coordinating the audit efforts of the University Audit Department with those of the Auditor of Public Accounts for the Commonwealth of Virginia and other external auditors that have business with the University. This coordination of audit efforts should be in the planning and definition of the scope of proposed audits so the work of auditing groups is complementary and will provide a comprehensive, cost-effective audit.

Audit Plan

Each year, a proposed detailed audit plan for the next fiscal year will be submitted to the Audit Committee. Upon approval of the plan by the Committee, audits will be initiated pursuant to the plan.

A block of time will be set aside for unexpected audits, special request audits and consulting, and cases received from the Commonwealth's fraud, waste and abuse hotline. In excess of this, any additions to the plan will require written documentation as to the need for such additions with final approval for the request being made by the President and Committee.

A copy of all approved revisions to the audit plan will be submitted to the President and the Audit Committee.

Audit Reports

At the conclusion of each audit, the department or activity audited will be provided an opportunity to respond in writing to the findings, conclusions, and recommendations of the University Audit Department. In addition, an exit conference will be held with the individual in charge of the department or activity under review. All findings, conclusions and recommendations will be discussed and any differences of opinion settled or so noted. A formal

audit report will be prepared after the exit conference is held and draft report reviewed. This report will contain a summary of the function of the department or area, the objective of performing the audit, the audit methods used, detailed explanations of any issues noted and recommendations for improvements thereon. A section of the audit report will include the department's response to the recommendations made by the University Audit Department.

Audit reports will be discussed with the vice president responsible for the area under review prior to the issuance to the President. All final audit reports will be issued to the President, with copies to the University Audit Department, the area audited and the department head. Executives

the Department will be guided by the IIA Code of Ethics and the Standards for the Professional Practice of Internal Auditing.

Personnel

The ultimate quality of the University Audit Department's performance is directly related to the quality of the people employed. The internal audit function should be directed by and staffed with qualified and competent individuals.

Minimum qualifications for each position within the audit function have been established; however, additional experience, training, specialized skills, as well as intelligence, adaptability, promotability, an inquiring mind, analytical a

ACADEMIC & RESEARCH ADVANCEMENT COMMITTEE

The Rector called on Mr. Henry for the report of the Academic & Research Advancement Committee. Mr. Henry reported that the Committee met in closed session to discuss the initial appointment of two faculty members with tenure, faculty representatives to Board of Visitors committees, the rescission of an honorary degree, and an update on the appeal of a tenure decision.

Following closed session, committee members approved by unanimous vote the initial appointment with tenure. The following resolutions were brought forth as recommendations of the Academic and Research Advancement Committee and were unanimously approved by all members present and voting (*Allmond, Corn, Dickeski, Dabney, Harris, Henry, Hill, Jones, Kemper, Kirk, Mugler, Slaughter, Tata*).

INITIAL APPOINTMENT OF FACULTY MEMBER WITH TENURE

RESOLVED, that upon the recommendation of the Academic and Research Advancement Committee, the Board of Visitors approves the appointment of Dr. Sherif S. Ishak as Professor of Civil and Environmental Engineering with the award of tenure in the Department of Civil and Environmental Engineering in the Batten College of Engineering and Technology, effective July 25, 2018.

Salary: \$168,000 for 12 months
Rank: Professor of Civil and Environmental Engineering (Designated as Chair of the Department of Civil and Environmental Engineering)

The following contains my recommendation for the initial appointment with tenure of Dr. Sherif Ishak as Professor in the Department of Civil and Environmental Engineering in the Batten College of Engineering & Technology. Dr. Ishak received a B.S. degree in Civil Engineering from Cairo University, Cairo, Egypt, and an M.S. and Ph.D. from the University of Central Florida, Orlando, Florida. Dr. 22 Tw -f

well as from the department chair and the acting college dean.

The Promotion and Tenure Committee for the Department of Civil and Environmental Engineering (7-0), the Promotion and Tenure Committee for the Batten College of Engineering & Technology (5-0) and the University Promotion and Tenure Committee (5-0) unanimously recommend this appointment. The chair and acting dean recommend appointment with tenure.

Based on my independent evaluation of the materials submitted, including the above recommendations, it is my judgment that Dr. Ishak meets the standards for tenure at the rank of Professor in the Department of Civil and Environmental Engineering at Old Dominion University.

INITIAL APPOINTMENT OF FACULTY MEMBER WITH TENURE

RESOLVED, that, upon the recommendation of the Academic and Research Advancement Committee, the Board of Visitors approves the appointment of Dr. Gymama Slaughter as Associate Professor of Electrical and Computer Engineering with the award of tenure in the Department of Electrical and Computer Engineering in the Batten College of Engineering and Technology, effective August 25, 2018.

Salary: \$210,000 for 10 months
Rank: Associate Professor of Electrical and Computer Engineering (Designated as Executive Director of the Frank Reidy Research Center for Bioelectronics. Salary includes \$30,000 for serving as Executive Director.) (new position)

The following contains my recommendation for the initial appointment with tenure of Dr. Gymama Slaughter as Associate Professor in the Department of Electrical and Computer Engineering in the Batten College of Engineering & Technology. Dr. Slaughter received a B.S. degree in Chemistry from Virginia Commonwealth University, Richmond, Virginia, and an M.S. in Chemical Engineering, and Ph.D. in Computer Engineering from the same institution. She served as an Instructor (2005-2007), Assistant Professor (2007-2010), and Associate Professor (2010) at Virginia State University. Then Dr. Slaughter joined University of Maryland Baltimore County as an Assistant Professor (2010-2016) before being promoted to the rank of Associate Professor (2016-2018) in Computer Science and Electrical Engineering. She also held the position of Affiliate Associate Professor (2018) in Chemical, Biochemical and Environmental Engineering at the same institution.

The ODU *Faculty Handbook* states, “The main purposes of tenure are to recognize the performance of faculty members who have given years of dedicated service to the university, to protect academic freedom, and to enable the university to retain a permanent faculty of distinction in order to accomplish its mission.” [*Faculty Handbook*, p. 50]. The *Faculty Handbook* policy on Initial Appointment of Teaching and Research Faculty states a request for initial appointment with tenure at the rank of associate professor must be “initiated by the chair and reviewed by all tenure review bodies.” The policy also says, “Normally, an initial appointment with tenure will be granted only to a faculty member who already has achieved a distinguished academic record and held a tenured position.” [*Faculty Handbook*, p. 24].

Recommendations in support of tenure at the rank of Associate Professor for Dr. Gymama Slaughter were received from the departmental, college, and university promotion and tenure committees, as well as from the department chair and the acting college dean.

The Promotion and Tenure Committee

National Science Foundation and through Jefferson Lab, with total funding of \$15.2M as PI or Co-PI. He has published 154 refereed papers and has 14,000 citations. Kuhn has been active in

which all members are safe and free from all forms of sexual misconduct; and

WHEREAS, upon recommendation of the Provost and Vice President for Academic Affairs, the ODU President reaffirms that commitment by recommending the revocation of the honorary degree awarded to Mr. Cosby.

THEREFORE, BE IT RESOLVED, that the Board of Visitors of Old Dominion University hereby rescinds the honorary Doctor of Humane Letters degree awarded to William H. Cosby, Jr. on May 9, 1998.

Provost Agho informed committee members that there was no further appeal from the faculty member discussed at the last meeting who was not awarded tenure.

Committee members approved the resolutions on 40 faculty appointments, 50 administrative appointments and one emerita appointment. The following resolutions were brought forth as recommendations of the Academic and Research Advancement Committee and were unanimously approved by all members present and voting (*Allmond, Corn, Dickeski, Dabney, Harris, Henry, Hill, Jones, Kemper, Kirk, Mugler, Slaughter, Tata*).

FACULTY APPOINTMENTS

RESOLVED, that upon the recommendation of the Academic and Research Advancement Committee, the Board of Visitors approves the following faculty appointments.

<u>Name and Rank</u>	<u>Salary</u>	<u>Effective Date</u>	<u>Term</u>
Ms. Cortney N. Armitano Lecturer of Physical Therapy and Athletic Training	\$55,000	7/25/18	10 mos

Ms. Armitano received an M.S. in Exercise Science from the University of Rhode Island, a B.S. in Athletic Training from Campbell University and is expected to receive a Ph.D. in Kinesiology and Rehabilitation from Old Dominion University. Previously she was a Lab Manager and Research Assistant in the Center for Brain Research and Rehabilitation in the School of Physical Therapy and Athletic Training at Old Dominion University.

**APPROVAL TO DISCONTINUE THE JOINT OFFERING OF
THE MASTER OF PUBLIC HEALTH WITH EASTERN VIRGINIA MEDICAL
SCHOOL AND APPROVAL FOR THE CONTINUATION OF THE PROGRAM
OFFERED SOLELY
BY OLD DOMINION UNIVERSITY

COLLEGE OF HEALTH SCIENCES**

RESOLVED, that upon the recommendation of the Academic and Research Advancement Committee, the Board of Visitors approves the discontinuation of the joint offering of the Master of Public Health degree with Eastern Virginia Medical School effective May 2020 and the continuation of the program as a sole offering at Old Dominion University effective fall 2019.

Rationale: Old Dominion University (ODU) and Eastern Virginia Medical School (EVMS) proposed a jointly-offered Master of Public Health (MPH) in 1996, and in June 1997 ODU was granted final approval by the State Council of Higher Education for Virginia to initiate the program in summer 1997. In addition to the joint program offering, EVMS and ODU had planned to launch a joint School of Public Health.

Old Dominion University and Eastern Virginia Medical School developed a core within the MPH, along with four concentrations, with each institution offering two of the four concentrations. The interdisciplinary teams from the ODU-EVMS partnership offered a significant advantage to students in a number of programs that intersect with public health, including medicine, nursing, bio-statistics, business, and community health. The program has been offered for two decades, with EVMS serving most recently as the institution of record.

In recent years, ODU and EVMS faculty and administrators recognized that the long-term goal of establishing a joint School of Public Health would not be feasible because of the restrictions stipulated by the Council of Education of Public Health, the accrediting agency of public health schools. ODU provided formal intent to terminate the agreement and the program with EVMS, consistent with the terms of the Memorandum of Agreement signed in September 2009.

Old Dominion University proposes to maintain the Master of Science in Public Health with two concentrations that the institution has o

Committee members approved by unanimous vote the discontinuation of the current offering of the Master of Science in Athletic Training and initiation of the degree program as a professional/entry-level credential. The following resolution was brought forth as a recommendation of the Academic and Research Advancement Committee and was unanimously approved by all members present and voting (*Allmond, Corn, Dickeski, Dabney, Harris, Henry, Hill, Jones, Kemper, Kirk, Mugler, Slaughter, Tata*).

APPROVAL TO DISCONTINUE THE CURRENT POST-PROFESSIONAL MASTER OF SCIENCE IN ATHLETIC TRAINING DEGREE PROGRAM AND TO INITIATE THE DEGREE PROGRAM AS A PROFESSIONAL/ENTRY-LEVEL CREDENTIAL

COLLEGE OF HEALTH SCIENCES

RESOLVED, that upon the recommendation of the Academic and Research Advancement Committee, the Board of Visitors approves the discontinuation of the current post-

professional/entry-level credential program and to initiate the degree program as a professional/entry-level credential. The following resolution was brought forth as a recommendation of the Academic and Research Advancement Committee and was unanimously approved by all members present and voting (*Allmond, Corn, Dickeski, Dabney, Harris, Henry, Hill, Jones, Kemper, Kirk, Mugler, Slaughter, Tata*).

Committee members received information on a request for leave of absence without compensation. Vice Provost Brian Payne presented information on the LeADERS program, which provides experiences leadership, ePortfolios, academic internships, diversity, entrepreneurships, research, and services learning for students who elect to participate. These students complete three to five class areas and an ePortfolio and earn bronze, silver or gold status.

Morris Foster, Vice President for Research, highlighted a recent grant received from NSF that provides \$1.5M to recycle the University's high performance computing resources. The grant is in addition to a \$500,000 match from the University.
