## OLD DOMINION UNIVERSITY SCHOOL OF NURSING RN LICENSURE ELIGIBILITY BY STATE FOR ODU BSN GRADUATES

For more information on licensing requirements, including contact information for every state and territory licensing board, please see the State Boards of Nursing link. Below, an asterisk (\*) indicates that earning a bachelors in nursing degree (BSN) satisfies educational requirements for licensure.

|       | Program Satisfies<br>Curricular Requirements |    |                        |   |  |  |
|-------|--|----|------------------------|---|--|--|
| State | Yes  | No | Unable to<br>Determine | State Professional Association or License and Notes   |  |  |
| 1. AL | Х*   |    |                        | https://www.abn.alabama.gov<br>(Note: Yes :as long as simulation learning experiences may not comprise more than thirty percent of the entire clinical learning experience) |  |  |
