OLD DOMINION UNIVERSITY University Policy

Policy #3010 INTERNAL CONTROLS

Responsible Oversight Executive: Date of Current Revision or Creation:

Vice President for Administration and Finance October 30, 2017 This policy applies to all employees and employees of affiliated organizations who are paid through the University. Employees include all staff, administrators, facultyof plart-time, and classified or nonclassified persons who are paid by the University. Affiliated organizations are separate entities that exist for the benefit of the University through an operating agreement and include the Foundations, the Community Development Corporation, and the Alumni Association.

Old Dominion University is comitted to maintaining a strong system of internal controls and will have adequate administrative controls and accounting controls in placellforperations and transactions An effective internal control system helps the University achieve the following

- Promote orderly, economical, efficient and effective operations.
- Produce quality products and services consistent with the Universities's ion.
- Safeguard resources against loss due to waste, abuse, mismanagement, errors and fraud.
- Promote adherence to statutes, regulations, bulletins and procedures.
- Develop and maintain reliable financial and management data and accurately report that data in a timely manner.

Internal controls are the responsibility <u>all</u> employees of the Jniversity generally an employee's position will determine the extent of his or hervolvement.

Vice Presidents are responsible for ensuring that adequate internal controls are mainline their respective divisions.
